

Kid's Digestive System Chart – BA117

<p>Description</p>	<p>◆ The Digestive System Poster is designed to teach children at a 4-6-grade level the basic functioning of the human body's digestive system. The poster uses detailed images and text to explain the role of the digestive system. It also shows the way food travels from the mouth to the stomach. This poster is a great addition to an elementary school classroom.</p>
<p>Details</p>	<ol style="list-style-type: none"> 1. Dimension: 17" x 22" 2. Material: gloss paper laminated with clear polyester both sides
