

# ANDES 7i

An induction brake provides precise, instantaneous resistance changes for a more efficient and effective workout while ViewFit connectivity simplifies workout tracking, making it easier to reach your fitness goals. And the heavy flywheel, expansive programming and large, backlit display make the Andes 7i perfect for advanced training.

## FEATURES

- Easy three-step assembly
- One-step folding frames for easy transport and storage
- Ergonomic design and longer stride for a comfortable workout
- Innovative Cardio Compass display that works with any wireless heart rate receiver to provide clear, visual workout feedback
